## Private Banking

Bank of Beirut has always retained at core the interests of its clientele.

Bank of Beirut's Private Banking ambition is to constantly provide customers with innovative and creative financial solutions keeping at the core of it the special treatment given to each of our customers.

The techniques followed fall under one aim: fit in the unique framework defined for each client relationship.

Accordingly, our team first start by identifying and structuring the client's personal objectives; then, understanding their restraints and; finally, setting personalized investment plans.
